

XML POST Frequently Asked Questions

How Do I Get Started?

First step is to fill out our simple enrollment form. From there, we will approve you or contact you with questions. After you are approved, we will send you instructions on how to send us real time leads via XML POST. After you completed this step, you will be able to test to ensure your leads are being correctly sent and tracked for payment. Once this is complete, you are on your way to earning money.

Who Qualifies To Send Leads via XML POST?

Typically any web site that hosts their own lead form can send us leads via XML POST. There are certain information we require from our leads in order to sell them to agents. Please refer to our quote form to see if your lead form closely matches ours.

Can we send you leads any other way besides XML POST?

At this time, we only allow the leads to be transferred by XML POST.

Will You Allow Us To Send Our Leads To Other Lead Aggregators In Addition To Your Web Site?

Depends. We typically want exclusive leads and we will pay higher commissions for exclusive leads. Those leads that are sold to multiple sources, we usually pay less.

Can I Track How Many Leads I Am Sending You? My Total Earnings?

Yes to both. Once you are approved, you will be able to login and view in real time your total volume and commissions.

How Often and When Do I Get Paid?

You will get paid once a month and the commissions typically are paid on or around the 20th of each month. You can choose to be paid by direct deposit or live check.

Do You Offer A Referral Commission If I Refer Other XML POST Affiliates?

Yes. We offer a bonus of up to \$100.00 for any affiliate you refer, who then enrolls and we approve, and begins sending us quality leads. You will be paid this bonus on your next commission after your referral sends us a lead.

In Addition To XML POST, Can I Also Put Banners And Links On My Web Site?

Yes. If you want to do this as well or just by itself, please email us a quoteguardian@gen3marketing.com and we will get you set up on that side.

Do You Cap The Number Of Leads I Can Send? Earnings?

No. As long as you send us quality leads there is no monthly cap. We will take as many exclusive, quality leads you can send us.
